

Contemporary Ensemble

Contemporary Christian music and Catholic favorites are the standard fare for this ensemble. We will rehearse one Tuesday per month from 7:00pm – 8:30pm. Currently we will sing at one weekend liturgy per month. This group draws from a variety of instruments and sings 2 to 5 part harmonies. Instrumentalists should be fairly accomplished on their instruments and singers must have experience with this type of group.

Responsibilities

Each musician is responsible for looking ahead to what music is going to be done at each mass. Each musician will be given music and is asked to look through the music on their own during the week/month. Therefore the ability to read music is required. Improvisation and learning by 'ear' are also very important! Musicians will also be asked at times to work up solos, duets, or other small group pieces which are worked on outside of rehearsals.
